

## DATA USE COMMITMENT

### Class IFT6759

**THIS COMMITMENT DOCUMENT MUST BE SIGNED BY EACH OF THE STUDENTS REGISTERED IN CLASS IFT6759 "ADVANCED PROJECTS IN MACHINE LEARNING". IT COVERS ALL DATA COMMUNICATED BY PARTNERS TO STUDENTS.**

**WHEREAS** \_\_\_\_\_ (student name), registration number \_\_\_\_\_ (hereinafter the "**Participant**") is enrolled in class IFT6759 "*Advanced Projects in Machine Learning*" given at the 2019 winter semester (January 9, 2019 to April 19, 2019) (the "**Class**") by Professor Aaron Courville (the "**Professor**") in the professional master program of the Computer Science and Operations Research Department of the Université de Montréal (the "**UdeM**");

**WHEREAS** the Participant will undertake purely academic work as part of the Class (the "**Project**");

**WHEREAS** the Project is carried out on data provided by industrial partners of UdeM, (individually "the **Partner**" and jointly "**Partners**");

**WHEREAS** the Participant acknowledges that the Partners will disclose, for the purposes of the academic work done by the students enrolled in the Class, confidential data (the "**Provided Data**");

**WHEREAS** that to use the Provided Data for the Project during the Class, the Participant is expected to respect certain conditions of use and confidentiality of the Provided Data;

**WHEREAS** the Participant recognizes the added value of using real company data as part of the Class, which will allow him to practice and refine his machine learning knowledge and admits that the use of this type of data is accompanied by constraints and responsibilities.

**IN CONSIDERATION OF THE FOREGOING**, the Participant agrees to sign this commitment document defining the terms and conditions of use by the Participant of the Provided Data.

#### 1. The Participant agrees:

- 1.1 Not to disclose, in whole or in part, the Provided Data to any third party without the prior written consent of UdeM or of the Partner;
- 1.2 Not to use the Provided Data for purposes other than those specifically provided in this commitment document, namely solely for the purposes of academic work done during the Class;
- 1.3 Not to reproduce, save or copy the Provided Data, in whole or in part, on any medium, without the express written permission of UdeM or of the Partner and to access the Provided Data only through UdeM's servers;
- 1.4 Not to file any patent applications containing any Provided Data;
- 1.5 Mark "CONFIDENTIAL" and "NO RIGHTS OF REPRODUCTION OR DISTRIBUTION" on the papers and reports which he may submit, for academic evaluation only, to the Professor and which may contain Provided Data;
- 1.6 Not to combine or attempt to combine the Provided Data with other data in a manner that would allow identification of individuals concerned by the Provided Data;
- 1.7 Not to include any Provided Data in any potential publication;
- 1.8 Immediately stop using and accessing to the Provided Data at the end of the Class without further notice or delay or before the end of the Class upon request of UdeM, of the Professor or of the Partner.

**DATA USE COMMITMENT**  
**Class IFT6759**

**2. The Participant acknowledges that:**

- 2.1 ~~He is personally liable for the commitments contained herein pertaining to the use of the Provided Data~~ and he could be the subject of legal proceedings taken directly against him by the Partner should he commit a breach of any of the obligations contained in this commitment document;
- 2.2 The Provided Data remains the property of the Partner;
- 2.3 The Participant does not hold any title, interest, license or right of any kind in and to the Provided Data;
- 2.4 The Provided Data is sensitive and confidential information of the Partner and its loss or disclosure could cause significant harm to the Partner;
- 2.5 The Participant understands and agrees to work on a part of the Project, and understands that in parallel and independently of the work done by students enrolled in the Class, Mila – Institut québécois d'intelligence artificielle (hereinafter "**Mila**") will work on the entire Project, which may lead to results that may be of interest and assigned by Mila to the Partner. The Participant acknowledges that there may be strong similarities between his work and Mila's results, but that such case would not mean that the Participant's work was used by Mila, but rather that Mila and the Participant arrived at similar or same results totally independently.

This commitment document is effective as of January 9, 2019 and until the end of the Class, on April 19, 2019. However, Participant's commitments undertaken herein will survive indefinitely after the end of the Class.

IN WITNESS WHEREOF the Participant signed in Montreal, Quebec,
